GHENT (Belgium)

Terms.

All my **Invoices** are payable three months from Date in United States gold prices or its equivalent to the order of my Bankers at New-York.

A Discount of 3% will be allowed on invoices paid within one month from date of same.

5% Discount may be deducted, when **cash** accompagnies the order.

1/2% per month will be charged if accounts are not settled within the 3 months from Date of Invoice.

Conditions

on which all orders entrusted to my care, are to be executed.

All Plants and Bulbs travel at **Buyers risk.**

Orders will be executed in strict rotation.

While I shall exercise the **greatest care** in **Packing** and Selecting, I can under no circumstances assume any responsibility for **damage** in **Transit.**

No Complaints entertained unless made immediately upon receipt of goods.

No complaints accepted for any **delay, damage** or **heating on transit** etc., as being entirely beyond my control.

I assume no **Responsibility** for **Shortages** on orders of Plants and Bulbs, which may occur through the season, on account of the action of the elements.

While I shall invariably try to meet the prices of the competition, I reserve the right to change the present catalogue prices without further notice. This does not refer however to orders, which have previously been accepted.

These catalogue prices are understood f.o.b. Ghent and do not include the cost of Packing.

Early orders are appreciated.

Shipments.

Shipments (unless otherwise instructed) are invariably made via the **„Red Star Line"** from Antwerp either to New York, Boston or Philadelphia. Steamers sail every Saturday from Antwerp to New York and every fortnight to Boston and Philadelphia.

Freight from Antwerp to any of the above ports is $ 4.50 per 40 cubic feet.

Ocean freight, Duty and Marine insurance are charged at cost price and must be paid upon arrival on the shipment.

Please to address all communication direct to **C. PETRICK at Ghent** (Belgium).

Correspondance: English or German.

To my American Friends and Patrons!

In presenting this little Guide through my Establishment and Cultures, I beg to thank you for your liberal Patronage in the past, and I flatter myself that the activity, combined with long experience in our line of business will secure me the same confidence I have hitherto enjoyed.

My Firm, having been established by myself in 1885, **was the first Floral Establishment in Belgium, which 20 years ago started the Exporting of Plants to America.**

In September 1885 the first lot of Palms, beside 500 Azaleas was shipped by me to New-York in good order. **What enormous future succes in Belgian Plants Exports has followed this transaction.**

Visitors to Ghent should not fail to look over my Establishment and Cultures, and to examine the many modern improvements in the growing, selecting and Packing the Plants und Bulbs.

My Stock of Palms, Azaleas, Araucarias, Bay Trees etc. is one of the largest and most complete in all commercial sizes and varieties and I produce only healthy, clean and strong Plants.

My continual visits of all the Belgian Floral Establishments enable me to know the minutest Details of the Quality, Quantity and Market Prices existing in Belgium, **and I control most of the choicest Stock of the smaller Growers, who have not the facilities of Packing and Exporting to America.**

My Sales are limited to the Wholesale Trade, and I quote at Wholesale Growers Prices only.

All of my Shipments pass my personal Examination and my long Experience and Reputation will be upheld by continued carefulness, and giving **good value and satisfaction** to my friends and Patrons.

Soliciting your valued orders, I am

Yours very respectfully,

C. PETRICK.

An meine amerikanischen Freunde und Auftraggeber!

Diesen kleinen Führer durch meine Gärtnerei und Kulturen gestatte ich mir hiermit zu veröffentlichen, indem ich meiner werten Kundschaft für das mir bis jetzt geschenkte Vertrauen verbindlichst danke und bin ich der festen Ueberzeugung, dass meine Geschäftsrührigkeit gepaart mit langjähriger Geschäftskenntnis und Erfahrung, mir dazu helfen wird, dasselbe mir bis jetzt gütigst entgegengebrachte Vertrauen, auch fernerhin zu erringen und zu erhalten.

Meine Firma wurde von mir selbst im September 1885 gegründet und ist dieselbe

die einzige Handelsgärtnerei in Belgien

welche seit nunmehr 20 Jahren ununterbrochen den Export von Pflanzen nach Amerika betreibt.

Im September 1885 wurde die erste Palmen Sendung, sowie ungefähr 500 Azaleen von mir nach New-York in bestem Zustand verschifft.

Welcher ungeheure Erfolg schloss sich dieser ersten Transaktion an!

Besucher von Gent dürfen nicht verfehlen, meine Gärtnerei und Kulturen zu besichtigen um sich von ihren modernen Einrichtungen, sowohl in Bezug auf Cultur als Verpackungs-Vorrichtungen, persönlich überzeugen zu können.

Mein Vorrat von Palmen, Azaleen, Araucarien, Lorbeer-Bäumen etc. ist einer der grössten und vollständigsten in allen Handelsmassen und Quantitäten, in nur gesunder, ungezieferfreier Ware.

Meine ununterbrochenen Besuche aller belgischen Handelsgärtnereien setzen mich in den Stand bis auf die kleinsten Details betreffend Qualität, Quantität und belgischer Markt Preise unterrichtet zu sein und habe ich Gelegenheit aus den Vorräten kleinerer Handelsgärtner, welche nicht für Exportation nach Amerika eingerichtet sind, **mir das Beste aus dem Besten auszuwählen.**

Meine Notirungen sind nur für den Handel und stelle ich nur Wiederverkaufs Preise!

Alle Aufträge unterliegen bei Ausführung meiner persönlichen Kontrolle.

Meine langjährige Geschäftserfahrung und der gute Ruf, dessen sich meine Firma erfreut, bieten eine Gewährleistung für beste und sorgfältigste Ausführung eines jeden Auftrages, der mir gütigst anvertraut werden wird.

GENT, im November 1904.

Azalea Mollis.

Azalea mollis is a native of Japan and undoubtedly one of our most beautiful shrubs for forcing or planting in groups or borders in Parks or Gardens. The flowers are larger and of more perfect form than those of the A. pontica variety, and resemble in form and size those of the Indian Ayaleas. Their gorgeous colors vary from yellowish white, rose, all shades of yellow to the richest orange.

Hybrid Azalea Mollis.

Azalea mollis hybrida.

A new and distinct hybrid of hardy Azaleas. Their flowers are larger than those of Azaleas mollis. The period of flowering is between that of Azalea mollis and pontica.

Their hardiness, vigorous growth, fine habit, luxuriant foliage and profusion of attractive flowers, render them one of the most beautiful of flowering shrubs in cultivation.
